

# CITRO RANGE

## CLEANING PRODUCTS

Citro-Range™ is our exclusive house brand of high-performance home and industrial cleaning products, formulated with authentic citrus-based ingredients for powerful cleaning and a naturally fresh finish.

Each product is fully water-dilutable, allowing you to adjust the strength from everyday cleaning to heavy-duty degreasing and sanitation, while leaving a long-lasting citrus fragrance.

Versatile, effective, and economical, Citro-Range™ delivers professional results with a more natural, environmentally friendly approach.

### CITROCLEAN

To be diluted – makes over 100 liters end product

R250 PER 5L

A highly concentrated GP Cleaner suitable for all surfaces and can be diluted accordingly. When diluted it is a fantastic all surface cleaner, and can be used neat to remove stains and grease.

### CITROGEL

R380 PER 5KG

A powerful cleaner, degreaser, and stain remover in the form of gel. The gel contains disinfecting properties and works in ways a liquid can't so that you can apply to surfaces and leave the product to work. Popular in toilets, kitchen counters, and pretty much any surface.

### CITROWASH

R380 PER 5KG

A premium citrus scented washing powder with built in stain removers suitable for all colours and fabrics – the perfect household washing powder.

### CITROKLENZ

R290 PER 5L

A premium one shot liquid laundry detergent for machines or hand wash. This highly concentrated liquid works beautifully on all fabrics and can be used neat to attack stains, as well as used as a pre-soak.

## CITROSOFT

R200 PER 5L

A high quality, gentle fabric softener that reduces static and leaves a pleasant fragrance

## CITROSPARKLE

R380 PER 5KG

Gives over 100 washes

An extremely economical powder for dishwashing machines to replace pods - the difference in the cleanliness and after shine is highly noticeable, especially with glasses.

## CITROPOWER

R230 PER 5L

A very powerful dishwashing detergent and general cleaner/degreaser that can be used throughout the house and is suitable for food areas.

## CITROGLEAM

R200 PER 5L

Replaces Handy Andy

A non-scratching scouring liquid that is ammonia free and orange scented, safe to use on all hard surfaces. It is a citrus version of the commercial Handy Andy product but without the ammonia.

## CITROPEARL

R140 PER 5L

A gentle, citrus scented hand soap

## CITROMAGIC

R270 PER 5L

A waterless hand cleaner with grit that is kind to hands but still removes all grease and grime. It is non-irritating and will not block drains.

## CITRO-G

R400 PER 5L

A powerful and effective cleaner and sanitizer based on stabilised Gluteraldehyde.

## CITROFRESH

R140 PER 5L

Air freshener concentrate to be diluted and sprayed in the air giving the room a fresh citrus scent.
